

Dear Member of PAM (Presbyterian Association of Musicians):

We are inviting you to join the effort to re-energize the Mid-Atlantic Region of the Presbyterian Association of Musicians (PAM). We want to fulfill our mission by serving you better. But are also calling upon you to help in that effort. This region covers all of Virginia and North Carolina and has the largest membership of any region of PAM. Your expertise and passion can truly make a difference!

We are arranging a zoom meeting on Thursday, January 9 at 1:00PM (ET) to have a conversation with you!
